

REQUEST FOR APPLICATIONS 2021-2022 RESEARCH GRANT

PSORIATIC ARTHRITIS RESEARCH GRANT

Purpose: In a collaborative effort, the Arthritis National Research Foundation (ANRF) and the National Psoriasis Foundation (NPF) are seeking grant applications that focus on studying psoriatic arthritis.

Applicants: Applicants must be newer M.D. and/or Ph.D. applicants at early stages in their career. (equivalent to assistant professor/instructor/senior post-docs).

Budget and Project Period: Applicants may request up to \$100,000 in direct costs only. The project period is one year, with the option to apply for a second year if significant progress is demonstrated. The grant period is July 1, 2021 – June 30, 2022. In 2021, priority is given to applicants with no prior funding from ANRF.

Application: The research grant application is supported by proposalCENTRAL. All policies and guidelines can be found by visiting CureArthritis.org/grants

Submission Deadline: Applications must be submitted online by **Sunday, January 17, 2021.**

Review Process: Submitted applications will be evaluated by an expert panel of peer reviewers and the award will be announced no later than June 30, 2021.
