

MISSION

To provide initial research funding to brilliant investigative scientists with new ideas to cure arthritis and related autoimmune diseases

GOALS FY2023-FY2027

GOAL 1:

GROW REVENUE

Achieve annual revenue of at least \$5 million per year by the end of FY2027¹

STRATEGIES:

- A. Build and implement a comprehensive fundraising program
- B. Maintain board governance practices aligned with industry standards for legal and fiduciary requirements
- C. Meet or exceed best practices in organizational operations

GOAL 2:

INCREASE RESEARCH

Increase investment in early-career researchers with interest in arthritis and related autoimmune diseases

STRATEGIES:

- A. Re-name awardees as “ANRF Scholars”
- B. Build a pipeline that supports access to diverse, early career scientists at leading institutions
- C. Track applicants and awardees to determine results from ANRF funding
- D. Maintain a diverse, scientifically respected Scientific Advisory Board

GOAL 3:

ENGAGE COMMUNITIES

Cultivate strategic relationships with scholars and supporters

STRATEGIES:

- A. Engage ANRF Scholars and establish a Scholars Society
- B. Organize an active patient community interested in research

GOAL 4:

ACCELERATE DISCOVERY

Explore a venture project that translates discoveries into therapies

STRATEGIES:

- . During FY2023, appoint a working group for ANRF Ventures to explore the concept
- . During FY2024, test funding viability for a campaign to support the venture
- . During FY2025, complete funding campaign

¹FY2022 budgeted revenue = \$2.5 million
